

Consent of the holder of parental responsibility to the processing of personal data

I, the undersigned _____, born on _____,
residing at _____,

as a parent / holder of parental responsibility over the child:

name of the child _____, born on _____,
residing at _____,

(hereinafter the "**Child**")

hereby agree that Microsoft Corporation, One Microsoft Way, Redmond, Washington 98052, USA (hereinafter the „**Microsoft**“) as a data controller, will process Child's personal data in the extent of name, surname, address, date of birth, e-mail, telephone number, job title (or the information that the Child is a student), company or school, academic background, English language comprehension, dietary requirements or other special needs, photographs and videos and any other data provided to Microsoft for the purpose of Child' registration into and participation in the Alice envisions the future – Girls in AI Hackathon, Warsaw. This personal data will be processed for the period necessary to handle the registrations and for the duration of the Alice envisions the future – Girls in AI Hackathon, Warsaw, i.e. until [5 March 2020 // 6 March 2020].

As a parent / holder of parental responsibility, I acknowledge that Microsoft will also process my personal data (in the extent provided to Microsoft above in this form and any other contact details such as phone number or email which I provide to Microsoft) for the duration of this consent for the purpose of the evidence of this consent and processing of Child's application to the Alice envisions the future – Girls in AI Hackathon, Warsaw as required by Article 8 GDPR.

I declare that I am aware of the right to withdraw this consent at any time. I also acknowledge that the withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal.

I acknowledge that for the reason defined above, Microsoft uses the personal data provided on this form for the reason defined above. Microsoft may share the personal data with my consent or as necessary to complete any transaction or provide any service I and/or the Child have requested. Microsoft also shares data with Microsoft-controlled affiliates and subsidiaries; with vendors working on our behalf; when required by law or to respond to legal process; to protect Microsoft's customers; to protect lives; to maintain the security of Microsoft services; and to protect the rights of property or Microsoft. Microsoft is committed to protecting the security of the personal data. Microsoft uses a variety of security technologies and procedures to help protect the personal information from unauthorized access, use, or disclosure. Microsoft never shares my or Child's personal data outside the company without my permission, except under conditions explained above.
